

Tattletales

Pilot Club of Lawrence, Kansas

February 2012

Published by Paulett Gibson

Our next Club meeting will be February 13th at 6:00 PM at Conroy's. Fundraising is in charge of the meeting. Our speaker for the evening was to have been Peggy Wallert, Community Relations and Development Director from Cottonwood. Due to scheduling difficulties, she will be joining us at next month's meeting.

Marilyn will be handing out work schedules for our Antique Show on Feb. 24 & 25 at this month's meeting. Please mark your calenders and start planning which pies and cakes you want to bring!

President Joan will be moving shortly, I have agreed to take the chair for Project Lifesaver temporarily. Val Fittell will be assuming the duties of Chair when she has recovered from knee replacement surgery. She hopes to have this done in early Spring. If you have any questions for Project Lifesaver please contact Paulett Gibson at 785-841-5979.

Family Promise Update:

Cheryl Healey posted an update from Family Promise to our website. They have a new family, a single Mother and her 3 week old son. Mom is in need of several items for her baby. President Joan asks that anyone wanting to help this family bring items to the February meeting. Items needed are:

- 1. Newborn diapers**
- 2. Diaper wipes**
- 3. Formula (Similac complete infant formula with iron)**

And most of all they need our prayers.

"Puttin on the Glitz"

The Pilot International Kansas-Missouri District Spring Convention is April 20 & 21, 2012. The Sunflower Pilot Club of Manhattan will be hosting. Full registration is \$90.00 per person. Forms must be in by March 20th, 2012. The convention will be at The Holiday Inn at the Campus. Room rates are \$109.95 plus tax (single/double occupancy) To receive the discounted group rate, reservations must be made by March 20, 2012.

If anyone is interested in attending, get forms back to Marilyn by the March meeting.

From the desk of our President:

Well, the groundhog is predicting 6 more weeks of winter. With winter like this, who cares!

We all associate February with Valentines day. Did you know that Feb. 14th is also Ferris Wheel day? February 16 is Independence Day in Lithuania; the 17th is My Way Day. Of course we all know that Feb 21 is Presidents day, but did you know that the 22nd is Single Tasking Day? The 26th is For Petes Sake Day. But my favorite is the week of the 8th is "Love makes the world go round, but Laughter keeps us from getting dizzy" Week.

So what ever you celebrate this month. Remember to laugh.
