Share Pilot October 17 6:00

Pilots attending the Share Pilot need to bring a potluck dish - meat, salad, veggie - but no dessert. If you haven't gotten your list of potential guests to Carol Hirsh yet, do so right away via phone (733-0842) or email (cghirsh@sbcglobal.net). If you think of someone at the last minute, go ahead and invite/bring them. The more the merrier.

Remember that you will have the opportunity to win \$25 by bringing the most guests and by sponsoring the most new members. District Governor Linda McCollough and Governor Elect Kathy Elevier plan to attend our Share Pilot.

Jane Vaniman, former Prairie Pilot, was guest of honor at our regular Spangles social on September 13. Jane really likes living in her small apartment in a retirement community in Columbus, IN. She enjoys activities at the facility and community events, has been sewing, and has also traveled some. Jane really enjoyed her trip to Wichita to see friends from nursing, church and Pilot. She misses Wichita a LOT and plans to visit more frequently . at least annually. We look forward to that!

The September program was presented by Matt Schrock from the Religious Nurture Center at the 1st United Methodist Church in downtown Wichita. Matt was assisted by Marie and Linda, who participate in the ministry. The RNC started 50 years ago as a respite ministry for families with children who are disabled. The program has grown into a twice a week program which serves between 35-40 adults and older teens with disabilities. The Wed night programs is activity based and includes movie nights, special events, field trips, BINGO,

crafts, pool, Wii, museum visits, etc. The Sunday morning ministry is more like Sunday School with music, a lesson and prayer circle. Some of the people go to the regular worship service, others watch it on the big screen TV in the RNC room. Donna presented Mark with a \$25 check for this most worthwhile ministry.

Holiday House

Holiday House is rapidly approaching! It will be held November 3-6 in conjunction with Christmas in Riverside. Bring completed and **priced** items to an October meeting and they will be kept in the storage building behind the clubhouse. Be sure they are wrapped or packaged to protect them from dust and bugs. Lily has price tags.

Lily requested nice items to be used as door prizes. Each shopper will receive one ticket and has the option of buying additional chances.

Judi Gunther is Prairie Pilot's Team Captain for the Oct 8 Families Together Walk. If you don't want to walk yourself, you can still support the Families Together by making a financial contribution for the %Team.+
