From the desk of our President:

Happy New Year!

My hope for everyone for you in 2012 is health, happiness and good fortune. As we look forward into the new year, may we keep mindfull in how we can impact our community and lend support as we can. We are lucky that we have 2 successful antique show that allows us to do good. Also, we need to be ever mindful to remain a strong viable group of friends who with the same goals in sight will work together to keep our club strong.
